Coaches Code of Conduct

The function of a coach is to educate students through participation in competition. Each athlete should be treated with the utmost respect, and his or her welfare should be considered in decisions by the coach at all times. Accordingly, the following guidelines for coaches have been adopted by the Boys and Girls Club of Laredo

- The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the education of the student and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.
- The coach shall strive to set an example of the highest ethical and moral conduct.
- The coach shall avoid the use of alcohol and tobacco products when in contact with players.
- The coach shall master the contest rules and shall teach them to his or her team members. The coach shall not seek an advantage by circumvention of the spirit or letter of the rules.
- The coach shall exert his or her influence to enhance sportsmanship by spectators, both directly and by working closely with cheerleaders, pep club sponsors, booster clubs, and administrators.
- The coach shall respect and support contest officials. The coach shall not indulge in conduct which would incite players or spectators against the officials. Public criticism of officials or players is unethical.
- The coach should meet and exchange cordial greetings with the opposing coach to set the correct tone for the event before and after the contest.
